Winter Services 2100 South 116 Street, West Allis, WI 53227

PULL TOGETHER

Pop tabs may be small, but they make a big impact!

Since 2000, recycling the little aluminum tabs from soda cans has generated over \$400,000 for our Ronald McDonald House®. Your pop tab collection helps keep families together.

What are pop tabs?

Pop tabs are the aluminum tabs found on the top of cans. Aluminum is one of the most recyclable materials in the world and, although the whole can is valuable, the pop tab is smaller and cleaner, making it easier to collect in large quantities.

How do pop tabs help?

The pop tabs collected are taken to our recycling partner, Complete Recycling Services, and are exchanged for funds to be donated to directly support the children and families staying at RMHC Eastern WI.

How do I donate my pop tabs?

Pop tab collections can be dropped off at RMHC Eastern WI, Complete Recycling Services, or another one of our collection sites. For more information, please visit our website below.

Save the Date - Tab Toss Day

Saturday, May 11, 2024 | Winter Services, West Allis
2100 South 116 Street, West Allis, WI 53227

Tab Toss Day is our annual pop tab festival in which we celebrate your collection efforts from throughout the year! Our recycling partner, Complete Recycling Services, will match whatever is brought in that day. You might even see our Tab Toss Day mascot, Flip!
