Our Pop Tab Program is a simple and fun way to support families staying at Ronald McDonald House.

By collecting the aluminum tabs from beverage cans, your group helps raise funds through recycling while promoting environmental sustainability.

- Place the collection containers at your school, workplace, church, or community organization
- Encourage family, friends, classmates, and coworkers to save and donate pop tabs
- Deliver collected tabs to the Ronald McDonald House
- Set a pop tab collection goal or create a friendly competition between teams to build excitement and engagement.
